

Bob Dixon to deliver Opening Keynote Address

[The 3rd Annual Energy Services Coalition Market Transformation Conference](#) will get underway July 29 in St. Paul, with a keynote address from Bob Dixon, Vice President, Industry Affairs for the America's region, at Siemens.

Bob is recognized as an industry leader and previously served as Global Head for Efficiency and Sustainability at Siemens' International Headquarters in Zug, Switzerland. He has served as a subject matter expert to government and business leaders around the globe, providing insight and guidance on performance contracting and global initiatives for building efficiency and sustainability, and has presented on these topics in forums world-wide.

He has served in numerous leadership positions including on the Board of Directors for the NAESCO, where he was President for two years, and nine years on the board of the Alliance to Save Energy.

Don't miss out -- attendance is limited so [register](#) today.
