The *Energy Services Coalition* is now an official training partner for eProject Builder. Let ESC walk you through why and how ePB can work for you!!

**What you may know**
- You’ve heard about eProject Builder
- You may have attended a training webinar
- You may know it as a FEMP tool (but it’s really more)

**What you may NOT know**
- Revisions and updates have created broad flexibility
  - ePB is a free, secure way for you to track the work of your state
  - ePB can be as SIMPLE as you want it to be
- Free customized training for groups or teams is available
- Free training webinars continue, two each month
  - Generally second Tuesday and fourth Thursday, 1:00 EST

Next webinar can always be found at: [https://eprojectbuilder.lbl.gov/home/#/help](https://eprojectbuilder.lbl.gov/home/#/help)
